

## Overhead Power Line Installation Permission Agreement

This agreement is executed on (date/month/year).....by and between the Metropolitan Electricity Authority as represented by....., an authorized person and ....., as the owner of Building No....., Moo....., Soi....., Road....., Sub-district....., District....., Province....., and....., as an applicant. Both parties agree as follows:

1. Building owner allows the Metropolitan Electricity Authority to install the overhead power line and electricity equipment and watt-hour meter including remove, change, inspect, maintain electricity equipment at the splashboard and/or building wall and will not charge for any compensation or cost of damage. The Metropolitan Electricity Authority shall maintain such equipment in good condition and safety all the time.

2. Building owner and/or applicant will not commit any actions with watt-hour meter, power line, and electricity equipment which are the Metropolitan Electricity Authority's properties and/or will not build anything to block the Metropolitan Electricity Authority's properties.

3. In case the building under clause 1 is sold, distributed, or transferred, building owner shall notify the transferee to acknowledge and accept the obligations as promised to the Metropolitan Electricity Authority in all respect.

4. If building owner and/or applicant does not comply with any provision herein, building owner and/or applicant allows the Metropolitan Electricity Authority to disconnect the electricity as well as agrees to pay the cost of damage and expenses to the Metropolitan Electricity Authority in full amount.

As evidence therefore, both parties have signed in the presence of witnesses.
